

Comfort Billing

Tenant Billing For Niagara 4

Comfort Billing brings invoice generation and advanced rate modeling to the Niagara 4 platform.

Invoices

Invoices for a variety of billable items can be automatically generated monthly.

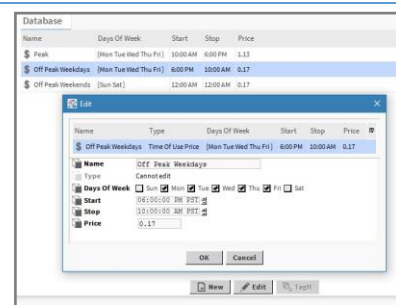

- HTML Email
- Automatic or manual generation
- Advanced rates can be applied to trends
- Simple repeating costs
- One-time costs
- Multiple billers

Rates

Advanced rate modeling allows the creation of custom rates.

- Revisions
- Seasons
- Tiers
- Time of Use
- Use on invoices and points

Tenant Overrides

Tenants can override equipment with their smart phone.

- User management
- HTML interface
- Repeating events
